

AustralianRulesFootball.com.au #3 - GUILTY!

Kraig Krieger

There were no players reported in the first year of the V.F.L. back in 1897, but after that it all went downhill with St.Kilda's Bill Matthews becoming the first player to front the V.F.L. Tribunal. The charge has never been recorded, but he was found GUILTY and recieved a severe reprimand. No other player was reported in that year.

This puzzle contains just a small percentage of the players who have been entered into the Umpires notebook and subsequently been found GUILTY by the V.F.L. and A.F.L. Tribunal.
